Education

Aug 2022 - May 2026

University of Colorado Boulder | Bachelor's Degree

Chancellor's Recognition Award: **4.0 GPA**

Major: Creative Technology and Design Engineering

Connects both **engineering and design** to combine my skills for computation and aesthetics working with HTML, CSS, JS, and Adobe Suite.

Minors: Space and Data Science

Learning about Space has boosted my creativity and awe for new subjects. Data Science has expanded my **coding background**, giving me a Python and SQL boost.

Certificate: Leadership

Completed program focused on **team leadership and ethics**.
